EUROPEAN SEARCH REPORT RECEIVED AFTER ISSUANCE OF PATENT

Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The above-identified patent application issued as U.S. Patent No. 6,389,336 on May 14, 2002. Applicant has now received a European Search Report dated September 3, 2003 for the counterpart European patent application (101 028.9-1246) which is related to the above-referenced patent application. A copy of the Search Report, and references cited therein are enclosed herewith. Please refer to the Search Report for the indications of category and allegedly relevant passages.

This Information Disclosure Statement is not to be construed as a representation that a search has recently been made, that additional information material to the examination of this application does not exist, or that this citation constitutes prior art.

Please make these references part of the file history.

Respectfully submitted,  
ALFRED CELLIER
